

Get ready for premium sound
ROKU Wireless Speakers

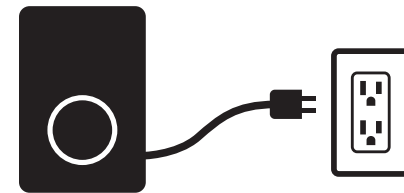

What you'll need

To get set up, you'll need:

- A Roku Smart Soundbar or a Roku TV™ connected to the internet
- Your Roku® remote

Let's get started

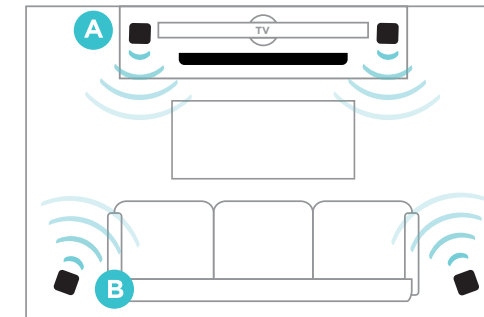

1. Power up your speakers

- Place your speakers within 30 feet of your TV.
- Plug them into a power outlet.

2. Prepare your TV

- Turn on your TV.
If you are using a Roku Smart Soundbar, switch inputs to your Roku Smart Soundbar.
- Press and hold  on your Roku remote for 5 seconds to open the setup menu.
- Select **Speakers**.

3. Follow the on-screen setup

- Your Roku Wireless Speakers will automatically be detected and begin pairing.
- A** Front speaker setup for Roku TV.
- B** Surround speaker setup for Roku Smart Soundbar.

Enjoy your Roku Wireless Speakers!

Tips and Tricks

Sound settings

- **Volume Leveling**—Helps keep your volume consistent and quiets loud commercials.
- **Speech Clarity**—Improves voice clarity so your favorite TV is easier to hear.
- **Night Mode**—Lowers loud scenes while boosting quiet ones so you don't wake the house.

Using voice commands

Press and hold the voice button on compatible remotes and say things like:

“Play classic rock.”

“Set volume to 30.”

“Launch The Roku Channel.”

Using sound settings

- While streaming, press .
- Go to **Sound settings**.
- Turn on the settings you want.

Expanded Stereo settings*

- **Movies & TV**—Simulates surround sound no matter what you're watching.
- **Music**—Plays the same audio from all of your speakers.
- **Off**—You'll only hear stereo from your front speakers.

*Requires Roku Smart Soundbar

Pairing a Bluetooth® device

- Select the **Bluetooth** channel tile on your home screen.
- Follow the on-screen instructions.

Easily expandable For even deeper, richer bass
