Tile Manual

Setting Up Your Tile App

To begin using your Tile, please follow these instructions:

1. Download the [Tile app from the Apple App Store](#)
2. Open the Tile app and register for an account
3. Enter your email address
4. Create a new password
5. Open your email and confirm your email address
6. Open the Tile app and log in with your email address and newly created password
7. Follow the prompts to allow Tile access to Bluetooth® and Location Finding so you can see your Tiles on a map

Linking Your Tiles to the App

Adding a Tile to your app is easy, just follow these quick instructions for each new Tile that you would like to use:

1. Add a Tile: Select the + button to add a Tile

2. Press the "e" button firmly on the Tile until you hear it play a tune.

3. Place the Tile on your device as directed by the app

4. Name your Tile

5. Add a picture of the item you're going to Tile

6. Activate your Tile

7. Be happy because now you can always find your stuff

WARNING: Do not attempt to open or disassemble your Tile. You run the risk of electric shock and voiding your warranty. There are no user-serviceable parts inside.
