- 1). When radio is on, turn the Function Knob (No. 14) to select your channel. Press and hold [SET] button for 2 seconds to activate memory mode, then turn the Function Knob (No. 14) again to select memory location where you would like to store the channel. Confirm your selection by pressing [SET].
- 2). To choose preset channel stations that you've saved, press and hold [SET] for less than 2 seconds, turn the Knob to select your desired preset channel station.

Installing and Replacing Batteries:

Open the battery cover. Remove the battery from compartment and replace with two new Size AA Alkaline batteries. Note the direction of the positive (+) and negative (-) poles.

Do not mix old and new batteries Do not mix alkaline, standard, or rechargeable batteries.

Caring For Your Radio Muff:

Remember that your Radio Muff are a quality instrument and should be treated in the same careful manner as any other precision-engineered device.

- Never allow any liquid to enter the Radio Muff as this may damage the components within the device.
- Do not store your Radio Muff in any location that would expose it to excessive heat (for example, in direct sunlight, near car dashboards, heaters or radiators).
- Be careful not to drop your Radio Muff as this may damage its components.
- Never insert any foreign objects into your Radio Muff. This could result in serious damage to the instrument.
- Never permit solvents to come into contact with your Radio Muff as this can damage the units.
- Clean your Radio Muff by wiping with a damp cloth moistened with a mild cleanser.

LIMITED WARRANTY

Walker's warrants this product to the original purchaser to be free from defects in materials and workmanship, under normal use and conditions for a period of two years parts/90 days labor from the date of the original purchase.

Under this warranty, this unit will be replaced or repaired at our option, without charge for parts or labor, excluding batteries, for a period of 90 days after the purchase. After 90 days, the cost of labor with Shipping/Handling and Insurance of \$29.95 (Radio MUFF only) is the customer's responsibility. Copy of original receipt may be required for any warranty service.

This warranty is void if any of the following occur:

- 1. The warranty card was not sent in at the time or purchase
- 2. The unit is not owned by the original purchaser at the time of the warranty claim
- 3. The unit has been tampered with, opened or punctured
- 4. The unit has been immersed in water or other liquids, allowed to be filled with dirt or dust, or otherwise physically abused
- The 90 days limited warranty has expired

This shall be the exclusive written warranty of the original purchaser and neither this warranty or any other warranty, expressed or implied, shall extend beyond the 90 days period listed above. In no event shall Walker's Game Ear, Inc. be liable for consequential damages, consequential property damage, or consequential personal injury. (Some states do not allow limitations on implied warranties or exclusions of consequential damages, so that these restrictions may not apply to you). This warranty gives you specific legal rights, and you may have other rights, which vary from state to state.
