ON-THE-GO

LULLS BABY TO SLEEP

Hi, I hope you enjoy your
SoundSpa On-The-Go!

- TIMER 1**
- SOUND 2**
- VOLUME DOWN 3**
- VOLUME UP 4**

- 4 SOOTHING SOUNDS
- INTEGRATED CLIP
- AUTO-OFF TIMER
- USES 3 AAA BATTERIES (Not Included)

HOW TO INSTALL BATTERIES:

Make sure the unit is turned OFF.
Locate the battery cover. Use a coin to loosen the screw.
Remove the battery compartment door and the exhausted batteries (if applicable).
Install 3 new AAA batteries, following the diagram inside the battery compartment.
Replace the battery compartment door and tighten the screw to secure.

NOTE: We recommend using alkaline batteries for longer battery life.
NOTE: When sounds become faint or stop, it is time to change the batteries.

LISTENING TO THE SOUNDS:

Press and hold the sound button **2** for 2 seconds to turn ON.
Press the sound button **2** again to switch sounds and select the one you wish to listen to.
NOTE: When the unit is turned on, it will always default to the last sound used.
To adjust the volume, press the **+** button or **-** button to your desired level.
Press and hold the sound button **2** for 2 seconds to turn OFF.

USING THE AUTO TIMER:

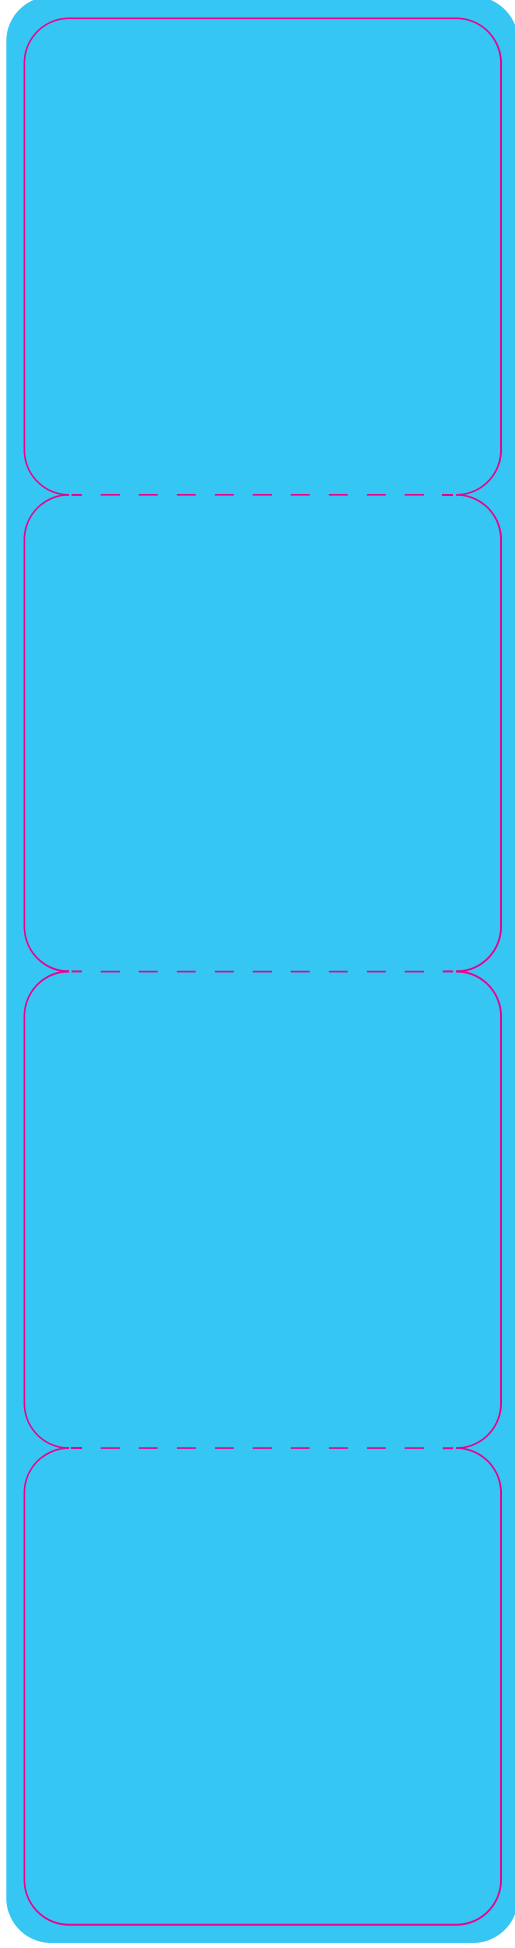

When the power is on and you are listening to a sound, you may set the timer so that the unit will automatically turn off after 30 minutes.
Press timer button **1**. The LED timer indicator will illuminate.
