

HIFIMAN ES100 Owner's Guide

Thank you for purchasing the HIFIMAN ES100, a high performance earphone designed to provide excellent sound quality and comfort while on-the-go. HIFIMAN is one of the leading brands of high quality headphones, amplifiers and portable music players in the world so you can be assured of outstanding value.

Product Overview

The ES100 can be used with most portable music devices (such as an iPod or smart phone) by using the standard mini-stereo plug input. It utilizes a high performance driver custom designed and manufactured by HIFIMAN. ES100 was ergonomically designed for comfort so you can enjoy this earphone for hours on end.

Care and Maintenance

Following a few simple tips can add to your listening enjoyment as well as the long-term reliability of your earphones.

- When not in use, we recommend keeping your ES100 earphone in the supplied pouch.
- Never remove the earphone by pulling on the cable. This may cause damage to the cable and is not covered by warranty.
- Avoid extreme temperatures or hard impacts to your earphones.
