

8GB\* capacities

## SanDisk® Clip Sport MP3 Player

The performance you want, with the features you need

### Highlights

- FM radio tuner
- Rechargeable battery lasts up to 25 hours<sup>2</sup>
- Super lightweight, clips on
- Up to 8GB\* + a card slot for storage expansion
- 1.44" TFT-LCD screen (128x128 pixels)
- Tangle-free earbuds in matching colors

Get active with the lightweight MP3 player that clips to your clothes, hat or wristband, allowing you to listen to high-quality music and audiobooks during your workout or outdoor activities. With durability that matches your stamina, dynamic sound to keep you in the zone, and an expandable memory card slot for even more music<sup>2</sup>, staying motivated will be a snap. All that plus an FM tuner and large, intuitive color LCD screen for on-the-move navigation make the SanDisk Clip Sport player the perfect workout partner.

- Affordable player lets you leave your phone in the locker room or at home and enjoy your workout hands-free, the way it was meant to be
- Free up your pockets and hands during your workout
- Lightweight and non-intrusive, the SanDisk Clip Sport MP3 player is great for on-the-go activities

With the built-in memory card slot, simply pop in a microSD™/microSDHC™ card<sup>4</sup> to expand the storage space for your library—music, audio books, podcasts—and you're good to go.
